海水採取に参加したメンバー（原子力規制庁、外務省、IAEA）

The member who participated in the sampling mission from the organization of the Secretariat of the Nuclear Regulation Authority (NRA), the Ministry of Foreign Affairs (MOFA) and IAEA.

海水を採取し、均質化した後、各分析機関に試料を分別。

（試料は日本、IAEA環境研究所の各機関にて分析予定。）

Distribution of surface seawater samples to each of the participating laboratories soon after collection and homogenization. The samples will subsequently be analyzed in parallel with Japan and the IAEA Environment Laboratories in Monaco.
